INDIANA

SESQUI-CE

On December 11, 1816, James Madison, President of the United States, approved the Congressional resolution formally admitting Indiana to the Union. The Road to Statehood was complete and the nineteenth State had a birthday. Upon being admitted to the Union, Indiana also became the second State to be created from the Old Northwest. Indiana was born of the westward movement. The pioneers who settled Indiana came from the seaboard and the older settlements west of the Alleghenies.

These early settlers sought a freer and richer life for themselves and their children. They wanted to cut fertile farms from the Indiana forest and to live in a more democratic society than then existed in "Old America." They wanted to enjoy the many opportunities, economic, political, and social, that could only be found in the new West. Some wanted to escape the blighting influence of slavery. Self-government was in their blood. The early Hoosiers tolerated the restrictions of territorial government with scant patience and yearned for the greater liberty they expected statehood to bring.

Indiana has had three state capitals, Vincennes, Corydon, and present-day Indianapolis, the "hub" of the business and communication worlds. Until the present date, Indiana has had forty-one governors.

Manufacturing is the leading occupation of Indiana, gaining the lead around World War I. Dairy products bring the Indiana farmers almost one hundred million dollars each year.

The first industries were built in 1824 for the use of the pork packers in Indiana. Since that time, Indianapolis has become one of the leading meat packing centers and the fourth largest hog market in the United States. Gary has the largest iron and steel plants in the world.

Since the days when the early settlers were fighting for their freedom, Indiana has become one of the most prosperous States in the country. On December 11, 1966, Indiana will celebrate "her" one hundred and fiftieth birthday We, the staff of the Blackboard and the Senior Class, therefore, salute Indiana in our Sesqui-centennial edition.

NTENNIAL

AIN'T GOD GOOD TO INDIANA?

Ain't God good to Indiana
Folks, a feller never knows
Just how close he is to Eden
Till, sometime, he ups an' goes
Seekin' fairer, greener pastures
Than he has right here at home,
Where tthere's sunshine in th' clover
An' there's honey in th' comb;
Where th' ripples on th' river
Kind o' chuckle as they flow—
Ain't God good to Indiana?
Ain't He, fellers? Ain't He though?

Ain't God good to Indiana?
Seems to me He has a way
Gittin' me all out o' humor
Just to see how long I'll stay
When I git th' gipsy-feelin'
That I'd like to find a spot
Where th' clouds ain't quite so restless,
Or th' sun don't shine as hot
But, I don't git far, I'll tell you,
Till I'm whisp'rin' soft an' low:
Ain't God good to Indiana?
Ain't He, fellers? Ain't He though?

Ain't God good to Indiana?
Other spots may look as fair,
But they lack th' soothin' somethin'
In th' Hoosier sky an' air.
They don't have that snug-up feelin'
Like a mother gives a child;
They don't soothe you, soul an' body,
With their breezes soft an' mild.
They don't know th' Joys O' Heaven
Have their birthplace here below;
Ain't God good to Indiana?
Ain't He, fellers? Ain't He though?

POEM

By Sandra Davidson, Larry Saulmon, Gwen Boyles, Rex Nichols

If ole Fred Smith had his way,
He'd skip school every day.

Debbie Dimitt gets all her joys
Chasing around all the boys.

Madonna Walker's good as gold,
Or as far as we are told.

Cathy Linn is on the beam.
That's why she's our Snowball Queen.

Virgil really knows the ropes,
And for him we've lots of hopes.

Dianne Ford's a model T.
She's as lively as can be.

Joe Fuller is a cluck.
If he had any more feathers, he'd be a duck.

Eldridge McCamis is quite a brain.
Without him the school would go down the drain.

There's no one in the human race
Anything like Darlene Pace.

Becky Guthrie is a real good cookie.
Of course, she always did play hookie.

Cheryl Randle is quite little
Especially right around the middle.

Tom Hannis, a lady's man,
Has fingers on the other hand.

Ruby really is a gem.
Her only problem is a "him."

Theda is a real great gal.
She is everyone's pal.

Arturo Quintero, whose name I can't pronounce,
Surely weighs more than one ounce.

Jennifer, who is seldom in school,
As a cheerleader looks quite cool.

Good ole Rita, who is a ball,
Keeps us rolling in the hall.

Judy, who is quite a talker,
Can always be seen with Mike Walker.

There's no one in the world like Bob Wren.
And we hope it never happens again.

Archery to Sandy Davidson is far from stupid,
Especially if the arrow is shot by cupid.

Cheryl Hicks is far from being a fool,
But she sure has trouble getting to school.

School—Jim Caldwell simply devours.
He can sit and watch it for hours and hours.

Bill Mitchell writes poetry most of the time,
While always trying to get as many words in the last line
As he possibly can while still maintaining the rhyme.

The crystal ball tells us something new,
That Ed Owen is the future star of Hullabaloo.

Darlene Ranney is our friend
From the beginning to the end.

Bill Graham should be able to preach
Because of the lessons he could teach.

Steve Johnson was a sad old man
When he backed into the electric fan.

We always laugh at ole Steve Shonk.
When he hits his head, it goes bonk, bonk, bonk.

Micky Smith may be a common name,
But we are sure he'll achieve great fame.

I once saw an eagle that was bald.
He reminded me of Don Wetherald.

Mike Walker is a regular do-do
When he attends Wells a-go-go.

Ronnie drives a movin' M-G.
Boy, I hope he doesn't run over me.

Wayne, who all the kids call "Hook,"
Is seldom found with his nose in a book.

Bonnie Perdue, a new girl this year,
Has sure spread a lot of cheer.

Don Scott, who goes with a Junior lass,
Is a great ball player from our class.

A great guard is our friend Dave.
Many a ballgame for us he did save.

Merrill is always in the right,
And we'll agree without a fight.

Don Robinson's nickname's "Rat."
Now what do you think of that?

Margaret and her piano skills
Won't move any mountains or any hills.

We know a guy with lots of hustle.
It is none other than Fred Russell.

Rex's car's name is "Gladys."
Boy, I hope he's not mad at us.

John Burris, who can fool Mr. Earl,
Goes with quite a charming girl.

There's a guy whose name is Ricky.
All the teachers think he's mighty tricky.

Teresia drives like a Cricket.
We hope she doesn't get a ticket.

Larry, we will give a hint,
Isn't much more than a pint.
(They don't rhyme, but they look alike don't they?)

Bob Walker likes to play with fire.
To be Smokey Bear is his desire.

If you ever need a friend,
You can always turn to Gwen.

Karla's the girl with the rank
When behind the wheel of her "Tank."

There are girls in the world, as you can see,
But none are quite like good ole Marie.

I know a girl whose name is Shirley.
She's got hair that's seldom curly.

There's a Wethington by the name of Judy.
She's as sweet as tooti-fruiti!

I remember a gal, Linda Graves.
She's the one who always behaves.

Andy Thompson sleeps in almost every class.
If he doesn't watch out, Mr. Purdue will whip his POTATOES?

Irene Wilburn is the type of girl
Whom one very seldom meets in the whole wide world.

Gary Emmert, a real great guy,
With his charm he'll go sky high.

Charlie Summers will go real far.
In this world he will be a star.

Brenda Thompson's an A-1 lady,
And to that we don't mean maybe.

No one knows how Craig Foster runs.
Maybe he's really shot from guns.

Roses are red.
Violets are blue.
Some poems rhyme,
But this one was written by the Senior Class!

Theda Watson has a full time job at the State Fair Burly-Q, and, according to what I hear, she's doing fine. I also hear she has a regular attender. Don't let this shock you too badly, but it's James (Tex) Ritter. I guess he's really interested in that sort of thing.

Bob Wren is a full time butcher in a suburb of Chicago. He always was a big cut-up.

Rick Beam doesn't have to race around the hometown curves any more. He has signed up for the 500 Mile Race in Indianapolis. I bet he's had more practice than the other drivers.

Brenda Thompson is living in Tennessee, waiting for her call for T.V. She is to appear on the Grand Ole Opera if Minnie Pearl ever loses her voice.

Craig Foster now works at the State Fair. He has become the Frog Man.

If Merrill Henry could raise women as well as he does horses, he could possibly be a very successful man.

I was talking to Bob Walker the other day. He is a well-known disc-jockey at the radio station "WIFE." We always knew he had the mouth for it.

Sandy Davidson and Dianne Ford are models for Macey's of New York. I hear the chemise has come back into style again.

Arturo Quintero has traveled to Spain to become a bullfighter.

Karla Hoskins is press agent for one of the most famous movie stars in this period of time, Don Wetherald!

Irene Wilburn is a beautician for the L. S. Ayers, Co. and really fixes up all the girls.

Charlie Summers thinks he is really a popular guy. He is working in the sick room at Allison's.

Bill Graham now owns his own cracker factory (Graham crackers.)

Gwenn Boyles is now an airline stewardess. She always was up in the air about something.

Dave Hawkins is now pitching for the New York Mets. He's won 20 games this season, but the team has won only 23!

Virgil Kincaid has finished Bible College and is now preacher of the Cedar Tree Corner Church.

Fred Russell, Don Scott, and Don Robinson are now playing professional basketball. Their team is called "Russell's Raiders."

Jennifer Stewart is now a truck driver for Huckstep Moving Vans.

Darlene Pace is now a missionary in the Far East. We always knew she'd travel far.

Junior and Senior Prom 1965

The Junior and Senior Prom was held April 10, in the beautiful DePauw University Ballroom. The theme, "Rhapsody in Blue," was carried out in the lovely decorations, programs, and favors.

At 7:30 p.m., a delicious four-course meal was served to the Juniors, Seniors, their guests, and faculty members with their husbands and wives. The long banquet tables were beautifully appointed with bouquets of blue and white daiseys and with tall lighted tapers. Following the dinner, Don Robinson, Junior Class president, welcomed the Seniors and guests, his committees and sponsors, Mr. William Wilson and Mr. Larry Farris. Members of the Junior Class then gave a short program in honor of the Seniors. John Deck, Senior Class president, gave the response.

Dancing began at 8:30 p. m., to the music of "Pete Hill's Quartet." Punch and cookies were served during the evening.

Snowball Dance
1965

Cathy Linn

Merrill Henry

The jointly sponsored F.H.A. - F.F.A. Snowball Dance was held in the beautifully transformed gymnasium on December 18, 1965. Members of their respective organizations, their dates, invited guests, and parents danced to the seasonal music of the Danville High School Dance band.

The dance co-chairmen, Susie Fuller and Tom Hannis, and their various committees made this annual affair possible. Under their able leadership, the decorations and program were carried out with the theme, "I'm Dreaming of a White Christmas." The theme was characterized throughout the red, white, and green canopy, throne, and tables. Cathy Linn and Merrill Henry reigned for the memorable night as queen and king of the eleventh annual Snowball Dance.

The faculty sponsors were Mr. Dimitt and Mrs. Sommerville.

COACHES

Vince Myer, Gary Butcher, Fred Huckstep

Although the Rockets lacked height and had only two boys with previous varsity experience, they displayed great spirit, speed, and ability during the season. Through their great balance, teamwork, and outstanding coaching, this season's team kept the dazzling record and performance of the past alive.

Many Wells' opponents succumbed to the Rockets' will to win. Balance and height will find the Rockets again strong for the next season.

GOLF
THE NEW SPORT

Inexperience is the biggest drawback that is facing the newly formed golf team. The team hopes to brighten the outlook on this, supposedly, dull sport and open new horizons in sports at Granville Wells.

Rex Nichols, Bob Walker, Fred Russell, Terry Whiteman, David Chanley, David Hawkins, Bob Smith

Baseball . . . King of the swat

First row, left to right: David Hawkins, Jack Myers, Rex Nichols, Rick Reed, Jimmy Lee, David Chanley, Merrill Henry, Bob Walker, student manager. — Second row: Mr. Wilson, Coach; Mike Walker, Jerry Emmert, Fred Russell, Don Robinson, Jim Hannis, Ken Mitchell, Marvin Keffer, Randy Edrington.

Cross Country . . . The long run

The Rockets completed a rather successful 1965--1966 Cross Country season under the new assistant coach, Mr. Gary Butcher. The Cross Country team displayed well-balanced scoring with a few individual displays of speed and strength. The team climaxed the season by placing third out of a field of eight in the "Big Four Conference" Cross Country meet held at Pittsboro. Wells should have a good season next year thanks to the upcoming underclassmen.

First row, left to right: Frank Foreman, Arturo Quintero, Eldridge McCamis, Cloyce Hedge. — Second row: Don Scott, Tom Hannis, Bill Mitchell, Mike Wahlman, Mr. Butcher, Coach.

TRACK AND FIELD SPORTS OF SPEED AND ENDURANCE

The Wells Track team concluded the 1964-1965 interscholastic sports year by winning the "Big Four Conference" Track and Field Meet held at Danville. The "Rocketmen" captured four first places, tied for one first place, and placed in almost every other event.

On their way to victory, John Rhoades shattered the school record in the 440-yard dash and David Hawkins overcame the previous record in the low hurdles. Although the team will be weak in some events, this year's team hopes to gain the Conference title for the third straight year.

First row, left to right: Rex Nichols, Student Manager; Eldridge McCamis, Cloyce Hedge, Merrill Henry, Ken Mitchell, Mike Walker, David Hawkins, Frank Foreman, Joe Fuller, Student Manager. — Second row: Terry Whiteman, Student Manager; Bob Walker, Student manager, Don Scott, Jerry Swank, Fred Russell, Jim Hannis, Tom Hannis, Mike Wahlman, David Brown, Student Manager; Arturo Quintero.

These many trophies show the excellence of Well's teams in many different sports
